

Wondering if you or someone you know might be Autistic? Scared of where to start or where to find a provider? Here at Autism Services Locator, we are here to help you every step of the way to find a Diagnoses provider, Speech Therapy, Occupational Therapy, Applied Behavior Analysis (ABA) Therapy or even Advocates! We also have different resources such as different screening tools/tests to see if you may or may not need a diagnosis if you haven't yet received one.

You don't have to feel alone on this journey!

Our site is a free directory for you to locate any of these providers all in one site without you having to jump through hoops on any search engine and finding inconsistent information. We have a team working around the clock to ensure that all information is correct by reaching out to all providers as often as possible.
